Reference your radio 160654Z March. The current availability of the RB-45 aircraft is so low in this theater that their employment as suggested by reference radio is not feasible.

The need for additional RB-45 aircraft in this theater has been made known to the JCS, and should these aircraft be made available consideration will be given to their possible utilization as you suggest in reference radio.

OFFICIAL:

K. B. WISE
Brigadier General, USA
Adjutant General

APPROVED:

R. S. BRATTON
Colonel, GSC
Deputy

Distribution:
CinC (2)
CofS
G-3
JSPOG
G-2 (Return)
G-2 T/Int (Return)
G-2 T/Int P&R (Return)

MEMO FOR RECORD:

Radio 160654Z March (NAVFE) points out need for RB-45 aircraft to assist in reconnaissance of China Coastal areas and requests their availability. Check with FEAF reveals that type aircraft not currently available for this use. Above radio so informs NAVFE. Approved by C/S, initial "E", 26 Mar 51.
